The straight and unique wider rim flat plates allow the freedom of imagination to create and to design patterns that can fully furnished the entire rim space making the plates look prominent and astonishing on your dining table. The hollowware, especially cups and coffee/tea pots, are in modern conical shape.

Cups are designed with handle as a one place item. For hotels and restaurants, three sizes of stackable cups are specially designed to serve the hospitality segment. Modern in design, sophisticate in look, simple and practical in usage make EDGE the best choice in your tableware selection.
